

Kelmscott School Calendar 2019 -2020

The Council holds a statutory duty to set school term dates and holiday dates in its area.

Governing bodies of foundation, voluntary aided and foundation special schools are able to set their own term dates but they usually choose to adopt the same dates as the Local authority, however families are recommended to contact their school directly to confirm this.

Local schools were consulted with on term dates for 2019-20 between 23 May and 6 July 2018. The dates below have been agreed by Cabinet.

This calendar gives a total of 195 days. A maximum of 5 staff development (INSET) days can be deducted by the School Governing Body to ensure that schools meet their statutory obligation to open for 190 pupil days.

Schools retain the option to vary the standard school year by closing to allow celebration of up to three religious festivals that occur on a weekday in term time after consulting with their local school communities. Provision must be made elsewhere in the school year to ensure that the school is open for the statutory number of days to pupils.

Parents are strongly advised to check with their child's school before making any holiday arrangements or other commitments.
